

Subject: Sales Terms

Thereby we anticipate our sales terms to our clients.

The terms are:

- **Order Format:** Client's order could be done in any form and, if not cancelled by written notice within seven days upon receiving order confirmation, it will be considered still effective and abiding.
- **Price :** Prices indicated in the order confirmation are abiding till the delivery date of goods unless in the meantime manpower and raw material have changed.
- **Payment:** Invoices payment has to be done at the deadline indicated in the order confirmation and the invoice. Any deadline will be charged by delay payment interest unless otherwise negotiated between parties.
- **Delivery terms :** No responsibility is taken for any delays caused by force majeure.
- **Shipping:** Shipping liability is always at Client's charge and as well as damages and losses even when the transportation cost is at NU.ER.T.'s charge.
- **Terms and conditions for claims:** Claim has to be done in written form, otherwise it is not accounted and within twenty days upon getting the goods. Claimed good , with our approval , has to be returned free of charge.
- **Guaranty terms and conditions:** Our guaranty lasts one year as of delivery date and applicable only to repairs or free exchange of claimed components found as defective by Nuert only on the basis of their lack material minimum quality requirements or due to manufacturing deficiencies. The guaranty is not applicable if the returned goods have been improperly used, repaired or damaged . Further Nuert Srl is not taking any responsibility for damages caused by accidents of any nature related to the application of its products.
- **Court for Litigations:** The sole Court for litigations and claims is Pordenone according to the Italian Law.

The above terms are applicable to all supplies between both parties, as a result of orders and our confirmations.

Any notice within 20 days is taken as an acceptance of the above sales terms.
